

FOX TELEVISION PUTS EMPIRE CENTER STAGE FOR YOUR CONSIDERATION

PARTNERSHIP:

FOX invited EMMY voters to The Grove to enjoy a star-studded evening with the cast of Empire.

EVENT DETAILS:

The night included a screening of the Season 1 finale, a Q&A with the actors and executive producers, and a live concert of songs from the record-breaking series.

While The Park was designated for VIPs, crowds of fans gathered in a standing-room-only area to catch a glimpse of their favorite stars.

To augment the panel and performance on stage, The Grove's dancing fountain featured a custom water show choreographed to Empire's hit song "Conqueror," and FOX displayed costumes created for the television series.
