MIRAMAR

FACT SHEET

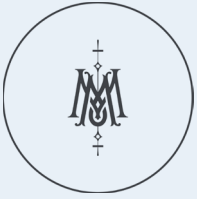

Rosewood Miramar Beach is an idyllic coastal retreat full of style, grace and glamour. The stunning estate is part of Rosewood Hotels & Resorts' distinctive collection of luxurious hotels that provides guests and the community with a "sense of place" complete with world-class comforts and amenities. Caruso's signature dedication to raising the bar on architecture and design, an acute attention to service, and exciting programming all come together to create a remarkably memorable guest experience.

LOCATION

Spanning 16-manicured acres 80 miles northwest of Los Angeles and uniquely positioned on one of the most beautiful and pristine beaches in California, the 161-suite and bungalow resort is built on the site of the former Miramar By The Sea Hotel, a cherished retreat for fashionable getaways.

MIRAMAR BEACH FEATURES

- Rosewood Miramar Beach resort spans across 16 acres of lush landscaping nestled beside the Pacific Ocean with private beach access.
- Three individually-designed signature suites reside in The Manor House, including The Founder's Residence, The Miramar Suite, and The Ambassador Suite.
- 26 oceanfront Beach House suites, studios, and guestrooms feature direct access onto the sand, each complete with a complimentary evening cocktail trolley.
- Highlights include the Chandelier Ballroom, two luxurious pools, a full-service spa and salon, an expansive Fitness Studio, lush gardens, a bocce court, both casual and fine-dining venues, a rooftop bar, on-site travel and transport services, organization of personal tours and excursions, oceanfront rooms just steps from the sand, ambient firepits, and The Miramar Club, an exclusive members-only club.

ABOUT CARUSO

Caruso is one of the most successful, productive and profitable real estate development and hospitality companies in the world. Headquartered in Los Angeles, California, the privately held company owns and operates a diverse portfolio of retail, residential and mixed-use properties known for their award-winning architecture, unparalleled guest experiences, and dedication to their local communities. Caruso's expertise in creating beloved town centers has made its properties desired locations for retail flagships, new to brick-and-mortar tenants, and innovative dining and entertainment concepts. Consistently ranked among the top shopping centers in the world, Caruso's properties continue to outperform the industry standards for occupancy rates and average sales per square foot. Included in Caruso's world-class portfolio and marquee shopping and dining destinations are The Grove and The Americana at Brand; luxury residential building 8500; and The Masonic Temple, a restored 1929 Art Deco landmark converted into innovative Class-A office space. The company continues to focus on expansion and currently has invested more than a billion dollars in new lines of business, including the newly opened, first-of-its-kind retail, dining and entertainment destination Palisades Village, as well as the ultra-luxury five-star beachfront resort Rosewood Miramar Beach in Montecito, California.
